# ABILITY EXPO

# ABILITY EXPO

---

## About Ability Expo

The Ability Expo focuses on breaking all barriers for persons with disabilities, offering innovative ways to reach vendors and providers for products and services with a unique vantage point, while taking a 21st century market place approach to new levels of communication.

## Benefits to Exhibitors: Giving you a unique vantage point

- Gain an entry point into the ever-increasing need to service a sector of diverse groups
- Find out what other businesses offer
- Save travel, hotel and marketing costs and reduce your carbon footprint
- Connect with professionals and tap into business opportunities across Canada
- Access market intelligence and trade insights
- Download a digital carry bag with your business leads, information kits and more

## Benefits to Attendees

- No travel or long lines to meet exhibitors. View at your own pace.
- Click of a button to listen to professional speakers, chat with other participants
- Access to all sponsors, service providers, employers, vendors etc.
- Download a digital carry bag with your business leads and information kit and more

The Ability Expo provides a full-service virtual environment to assist you in reaching businesses you never thought of.
